His Majesty the King of Servia, Mr. Marinovitch, His Envoy Extraordinary and Minister Plenipotentiary near His Majesty the King of the Belgians,

The Federal Council of the Swiss Confederation, Mr. Rivier its special Plenipotentiary.

Who, after having communicated between themselves their full powers, which are found in good and due form, have agreed upon the following Articles:

ARTICLE I.

There shall be established in each of the contracting States, a bureau charged with the duty of the exchanges.

ARTICLE II.

The publications which the contracting States agree to exchange, are the following:

1st. The Official documents, parliamentary and administrative, which are published in the country of their origin.

2nd. The works executed by order and at the expense of the Government.

ARTICLE III.

Each bureau shall cause to be printed a list of the publications that it is able to place at the disposal of the contracting States.

This list shall be corrected and completed each year and regularly addressed to all of the bureaus of exchange.

ARTICLE IV.

The bureaus of exchange will arrange between themselves the number of copies which they may be able eventually to demand and furnish.

ARTICLE V.

The transmissions shall be made directly from bureau to bureau. Uniform models and formulas will be adopted for the memoranda of the contents of the cases, as well as for all the administrative correspondence, requests, acknowledgments of reception, etc.

ARTICLE VI.

For exterior transmissions, each State assumes the expense of packing and transportation to the place of destination. Nevertheless when the transmissions shall be made by sea, special arrangements will regulate the share of each State in the expense of transportation.

ARTICLE VII.

The bureaus of exchange will serve, in an officious capacity, as intermediaries between the learned bodies and literary and scientific societies,

etc., of the contracting States for the reception and transmission of their publications.

It remains however well understood that, in such case, the duty of the bureaux of exchange will be confined to the free transmission of the works exchanged and that these bureaux will not in any manner take the initiative to bring about the establishment of such relations.

ARTICLE VIII.

These provisions apply only to the documents and works published after the date of the present Convention.

ARTICLE IX.

The States which have not taken part in the present Convention are admitted to adhere to it on their request.

This adhesion will be notified diplomatically to the Belgian Government and by that Government to all the other signatory States.

ARTICLE X.

The present Convention will be ratified and the ratifications will be exchanged at Brussels, as soon as practicable. It is concluded for ten years, from the day of the exchange of ratifications, and it will remain in force beyond that time, so long as one of the Governments shall not have declared six months in advance that it renounces it.

In witness whereof, the respective Plenipotentiaries have signed it, and have thereunto affixed their seals.

Done at Brussels in eight copies the 15th of March, 1886.
